March 2005

California's largest advocates for children and the arts, the **California Alliance for Arts Education** and the **California State PTA** are spearheading ***Arts Learning in Action***, a statewide campaign to secure an education in the arts for all California students.

March is Arts Education Month and schools, school districts and arts organizations throughout California will be celebrating ***Arts Learning in Action*** through performances, art exhibits and classroom demonstrations.

Celebrate Arts Education Month by participating in an ***Arts Learning in Action*** event near you. For a regularly updated calendar of events statewide, visit the CAAE web site at **www.artsed411.org**.
