Did you know?
In California, students are guaranteed a voice in planning and budgeting for their school district. The Local Control Funding Formula, or LCFF, requires that districts consult with students, parents, teachers and community members each spring to create an official plan for the coming years.

YOUR VOICE
Create a video of two minutes or less that shows your vision for your school.

YOUR VISION
What ignites your creativity, imagination and passion? What can your district do to inspire students to learn, thrive and succeed? Capture your vision in your video.

YOUR SCHOOL
Upload your video on the Student Voices Campaign site and we’ll send it to your local school board. You can also enter to win a trip to Los Angeles where your video will be screened before a live audience of student artists, activists and industry professionals!

DEADLINE: APRIL 1
